This is the Last Will and Testament of the Senior Class read upon the eve of their graduation from St. Katharine's, June 13, 1968.

I, Libbet Balzer, wish I could will all I have learned and experienced at St. Katharine's to anyone who will appreciate it as much as I do.

I, Jill (T. J.) Caperton, will my ability to get into trouble to Jill Yakey, my extra weight to Carol Knight, my ability to steal or attempt to steal other girls' boyfriends to Linell, a share of my love of Father Bro to Angela, of Mr. Gedekes to Mari Burns, of Mr. Arp to Debbie Greenswag and I will Garry Levan to the next in line.

I, Parthemia Crumb, will my boyfriend, Edmund Cookie to the Junior Class, my absent record at school to the boarders, my enthusiasm to sign up for school activities to the day students, my dates with PAUL to Joanne, and my position as an SKS student to Wassita McNitt.

I, Kathy Daggett, will the experiences I have had during the last three years and the beautiful things they have taught me to all those who in the future could have been helped as I was.

I, Barb Enberg, will my athletic ability to Leslie Waterman, my beautiful voice to Ava Preacher, my love of the Chapel to Kathy Carle, the inspiration of Mrs. J. to Katie Schofer, and my love of the old St. Kit's to Ann Durkes.

I, Sarah Goenne, will my unused smoking permission to Barb Bell, my height to Courtney Stibolt, my ability to climb into trash cans to Maribelle Ehm, my government notes to Mr. Horton, my natural blond hair to Christy Osborne and all my memories of St. Katharine's to Char Hubbard.

I, Julie Hunstein, will the Chapel hour in the dark room to Meg Oliver, sewing for fun and profit to Lesley Stipp, Moline Weekends to Barb Bell, Char Hubbard, and Kim Kidwell, and my love for the St. Katharine's I knew to Debbie Howell.

I, Mindy Leach, will my Bettendorf Police Record to Debbie Greenswag, my "neaties" membership to Cindy Frank, my volleyball spiking ability to Sally Searles, my moods to Leslie Waterman, my ability to win eating contests to Kris Raue, my secret identity of Parthemia Crumb and all her sex appeal to Helen and my love of the IMPS to Neils, Katie and Sibyl.

I, Chris Lucas, will my intestinal fortitude to Barb Bell, my love of Dave Von Ronk and Dylan to Witch Linell, to Debbie Greenswag my albino skin, my subtle and feminine laugh to Meg, my memories, both good and bad, to D.R., and all my love of St. Kit's and hopes for the future to Kim.

I, Judy Lveth, will my used-up smoking permission to Char Evans, my study habits to Meg, my P.C. to Kathy Kennedy in hopes she will get rid of it, my messy room to Lisa Weinberg for her to clean up, my long hair to Angie and my love and memories of St. Katharine's to Mouse.

I, Charlene Marriott, will my great abilities in Spanish to Kim, my luck with Shattuck boys (and St. Mary's girls) to Kris Raue, the unforgettable weekends on Ridgewood to Cindy, Sally, Leslie, and Neils, my seat in the Senior Room to Annie Durkes, and all my memories and love of St. Katharine's to Barb Bell.

I, Jenny Palmer, will my artistic talents to Linell, my mooching ability and free lunches to Helen and Debbie, my MGII and skill at driving a stick to Sibyl, my knock knees to Gay, my lungs to Vickie, and my memories to anyone who wants them.

I, Sandi Perlmutter, will the Connelys and Moline Boys to Leslie Reid, Betsy Ainsworth, Yancy, and Barb Dain. My problems fall to Carolyn so she will be able to see that "up-tightness" will get her nowhere. I leave quiet, chaperoned parties to Char Hubbard and Barb Bell, my broken lucky piece to Jan, Helen, and Kim to teach them the only thing you can trust and believe in is yourself, and my trips to Frisco to anyone who needs a dream.

I, Mary Perrot, will my dear love of Mikes to Kim, my eventful ski-trips to Nancy Neiley, my luck with Ambrose Boys to anyone who will take it, my bowling ability to Meg Oliver, my love of St. Katharine's to Linell and Debbie Dukette, and my happy and tearful times to Debbie Dukette. We all have them, don't we?

I, Stevi Reid, will my ability to overcome "California homesickness" to Carolyn, my ability to go steady to Jan, the use of my home whenever they want it to Annie and Jody, our silly but cherished "mix-ups" with Leslie to Betsey, Barb Dain and Yancy, my stubborn ability to set a goal and stick to it to Helen. To Mrs. Power I will my sister, Leslie, and my love, my "California dreams" and my ability to be happy wherever I am to my sister.

I, Sally Sammons, will my "Mama" status and my celibate life in the dorm to my "Babies" — Kim, Linell and Mari, my day after the night before to Carolyn, boys (especially the totally unsuitable ones) to Jan, my memories of the Moline scene, its boys and parties to Barb Bell, Char Hubbard, Betsy Ainsworth, and Leslie Reid, and most of all, Kim. My love and my dilemma of trying to live for both today and tomorrow I will to Kim and Helen. I leave all the love and help and happiness I have found at St. Katharine's to all who remember and anyone who can find it elsewhere.

I, Laurie Steffey, will my ability to uphold Keokuk's reputation to Meg, femininity to Kathy Kennedy, and my ability to rise after eight o'clock to Barb Bell.

I, Cindy Seitz, will the French House and my scheming mind to Debbie Greenswag, my straight hair to Helen, my riding ability and my position in the spy club to Kris Raue, my membership in the "Neaties" club to Sally Searles, my apparent smoking permission to Ann Durkes, and my memories of St. Katharine's to Leslie Waterman and Cindy Frank.

I, Lynn Waterman, will my love of the Pitts and memories of a grubby one to Kris Raue, my match-making ability to Ann Durkes, my height to Nancy Neiley, my love of Central dances to Sally Searles, my "Neaties" membership to my sister, Les, to keep up the tradition, and my love of the IMPS and memories to Cindy Frank, Katie Schofer and Carol Knight.

I, Melody Weber, will to Sarah Nichols my great art ability, to Katie Schofer my love of daisies, memories of a certain weekend to Angie, and to Mouse, my kindergarten class.

CONGRATULATIONS

THE NEATIES!

I've a future I must build

There are plans that I must draw.

Then let this timid hand of mine
Be guided, line for line,
With that steady, certain trueness
Of the Hand that planned
This universe.

There are materials I must choose.

Then let this casual mind of mine
Choose with the wisdom of the Mind
That fixed the substances
Of things like grass and trees
And mountain peaks.

There are decisions I must make.

Then let me make them with that sureness
That divided land and sea,
And day and night, the birds that fly
And beasts that roam the field.

There's a determination I must have.

Then let me bind myself unto such things
As principles, and truth, and right
With that same permanence
That holds in their celestial places
The sun, and stars,
And all the heavens' gems.

I've a future I must build.

So, let me build it with such care,
such tools, such wisdom,
And with such a rugged firmness,
That all the fiercest thrusts
Of host or elements
Cannot destroy it.

Aye, I've a future I must build . . .
Let me rise, then, to the task!

The time has flown
and soon, too soon it
will be time to say
good-bye. ~~We~~ We'll
have to work hard next

but ~~I~~ ~~think~~ know we
can do it.

Happiness to you always

Carolyn Don't forget the "special" time we had. I'll wait for you on until 3:00 in front of the Union. If you don't show, I'll assume you might not be able to make it. Hope to see you. "This too shall pass away" but after a long time.)

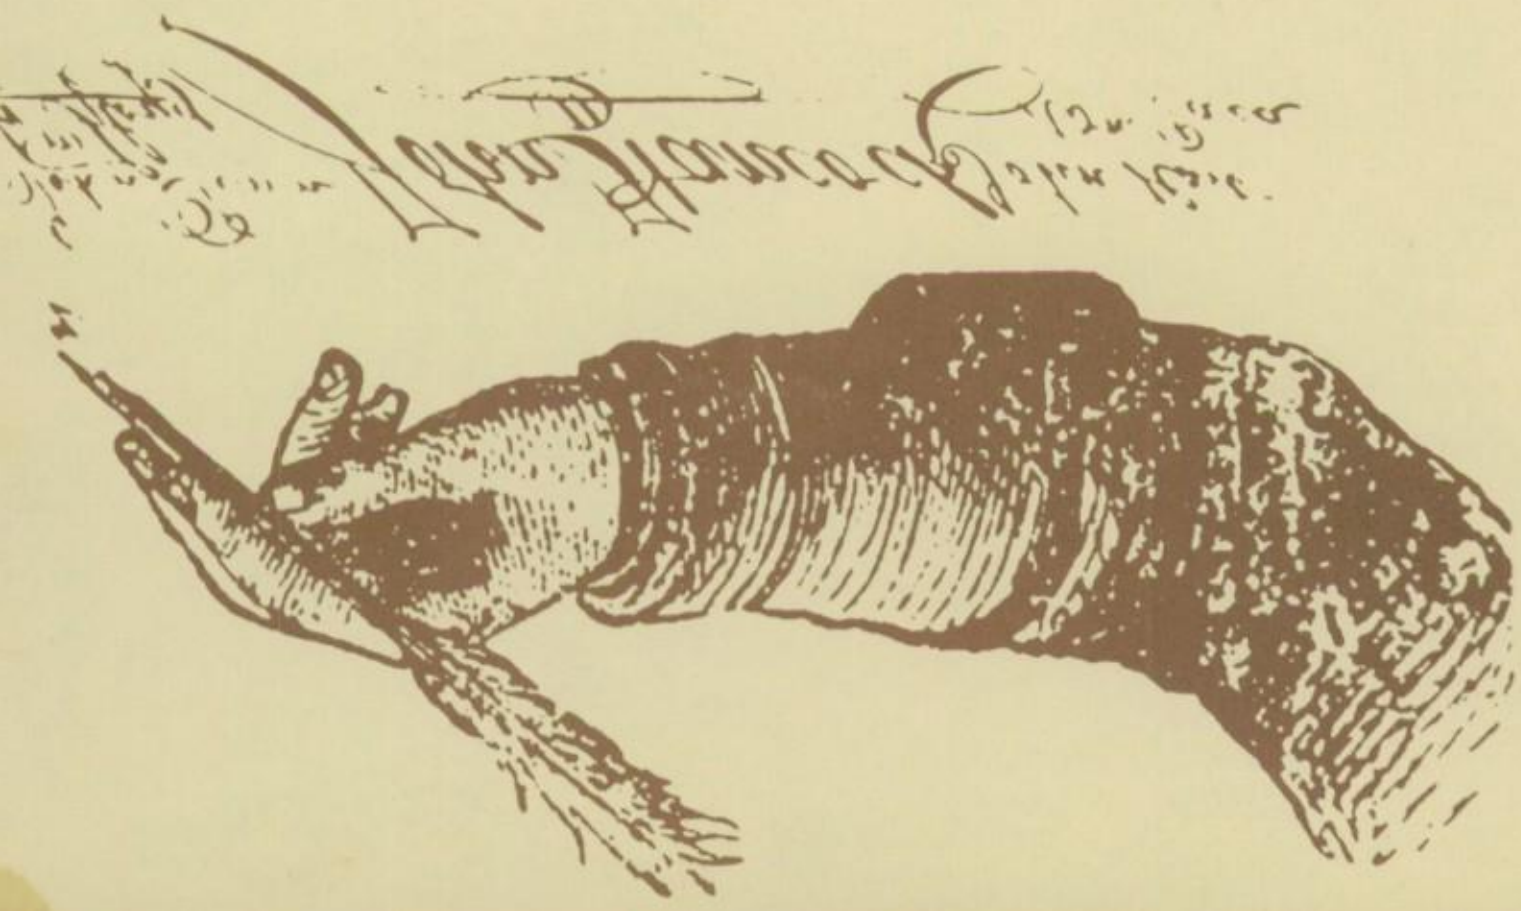
Much love,

Jim



carolyn,

this is for you, one of the most helpful understanding, fun people that i have met here. i wish that we could have made it to New York, but..... well maybe tomorrow! you are one of the best understanding people to talk to that i have ever known — and i sincerely mean that. im so glad that you had to be a boarder, for a while, and that Chip brought us together (in a round about way!). ill never forget Baskin-Robbins (you and your jamoca almond fudge !!!!!) and the times that we went shopping and just driving around. those were the best times that i have had here. have fun and be good in California this summer! see ya next year.

love
merida
